## Management Change at Brugg Pipesystems UK

Dear valued partner

We are pleased to submit you personally the following press release, which will be published shortly in several technical magazines and websites.

We, Brugg Pipesystems as a leading Swiss & German manufacture of pre-Insulated pipes are announcing the promotion of Dean Lowe as Managing Director UK after the retirement of Ian Moxom who has dealt with BRUGG as a UK agent for over 25 years until BRUGG acquired the business back in 2015.

Dean Lowe joined BRUGG in 2016 as Sales and Marketing Director and has a wealth of knowledge within the H&V and Civils sector which he will fit into our growth plans for the UK. We are wishing Ian Moxom all the best for his well-earned retirement and a successful start in the new role for Dean Lowe.
